Schools Division of Tarlac Province

January 26, 2017

To: Elementary School Heads
School Feeding Coordinators
Health and Nutrition Personnel
Gerona North and South Districts

Please be informed that there will be a community monitoring of the School Based Feeding Program (SBFP) implementation in the schools of Gerona, Tarlac on February 1 - March 31, 2016. The monitoring is a partnership initiative of Department of Education with the Jollibee Group Foundation, Affiliated Network for Social Accountability East Asia and the Pacific (ANSA-EAP) and the Local Government Unit (Municipal Health Office).

The monitoring will utilize the CheckMySchool Community Volunteers consisting of trained Baranggay Health Workers (BIHW) and Baranggay Nutrition Scholars (BNS), who will be deployed to conduct the community monitoring in the schools. CheckMySchool is a participatory monitoring platform developed by ANSA-EAP to help improve the delivery of service for public schools.

Thank you for your support.
